Vandal Proof / Weatherproof Camera

CRR-1106H

Features

The CRR-1106H color long range varifocal IR camera is designed for high risk applications. The traditional styling makes it ideal for use in situations where an instant deterrent or heavy duty camera is required. It also offers high resolution 540 TVL images from its Sony HQ1 CCD sensors and 3.5~8mm Varifocal Lenses which allow easy selection of the optimum viewing angle required during installation. It will also provide images in complete darkness up to 130 feet.

Designed for internal/external use this model can be wall mounted with a cable managed bracket and removable sun/rain shield.
